

Hello Valley Life Church Family!

In light of the recent concerns in our community over the COVID-19 virus the Frontier Regional School has temporarily closed the use of their facilities. That also means we are without a place to worship together.

Valley Life Church, We are now online with YouTube! If you will go to the valleylifeag.org website, click on the Resources icon it will take you to the page of the day. You will find the top link is for the Worship service streaming at 10:30 and as they end around 11:15 click over to the Message of Hope.

A limited size worship team will be at the Weston home coming live to you at 10:30. Peggy and I will be based at our home for the message,

We hope you will join us. I know this isn't the same as being together and sharing the move of the Holy Spirit. I pray that you will still be able to just enjoy a time separated for God to worship and his word. Whether physically together or not, our God is bigger than any situation. He still moves in our hearts if we humbly submit ourselves to him. So don't let the enemy frustrate you, turn your attention to God and see what he will do for you!

I believe that this will be a growing time for Valley Life Church and perhaps a time of preparation for the Church of the future, a new day of ministry. We will be sharing more details about the upcoming weeks ahead as they become available.

We now have our online giving available through our website valleylifeag.org. A few of you donated through the website or phone app last week. Let's not get behind in our giving of the Lord's tithe and our Missionary support.

If you feel inconvenienced by this virus think about the situation of many of our missionaries. Especially those that are far from home. They need our prayers and our support so they can have the basic necessities and tools to minister to a lost world.

Let's not be anxious about this virus for our God is in control. Let's keep our trust in the Lord our Healer! Health rules like these were a part of Moses' law. God cares about cleanliness! We have wonderful promises in God's word of his protection over our wellbeing.

Remember the promise from Psalm 91:5-7:

5 You will not fear the terror of night, nor the arrow that flies by day, 6 nor the pestilence that stalks in the darkness, nor the plague that destroys at midday. 7 A thousand may fall at your side, ten thousand at your right hand, but it will not come near you.

Most of all, be prepared to keep showing love in practical ways to those who need it most.

Blessings to all of you through our Lord and Savior Jesus Christ,

Pastors Doug and Peggy Belanger
